

## Descriptions of CDBG Applications for FY10

**EICAP** is requesting \$10,000 for Legal assistance to Grandparents raising Grandkids. This matches the funding already received for grandparents over 60 to help those under age 60. Legal assistance is needed to straighten out custody and other guardian issues.

**Planning Department** is requesting \$90,281 to continue the Code Enforcement officer for the three lower income census tracts. Because the City Budget and CDBG program years are offset six months this request covers 18 months.

**CLUB, Inc.** is requesting \$50,000 to continue the Crisis Housing and Counseling project in partnership with the Police and Sheriff Departments. This housing and counseling program provides the Departments a third alternative to hospitalization or incarceration for mentally ill persons in crisis that require an Officer intervention.

**LIFE, Inc.** is requesting \$35,000 to continue the handicapped access improvements for homeowners. They have assisted 24 families with the previous year's funding.

**IFDDC** is requesting \$100,000 to help fund the Soup and A intersection improvements and/or to continue the Façade Improvement program. Funding commitments would be needed this year for improvements in 2010 or 2012.

**The Senior Citizen Center** is requesting \$40,250 for kitchen improvements of new steam table, new floor tile and paint for sanitation purposes. In addition they need new hot boxes for distributing the meals on wheels program. They serve over 60 seniors a day onsite and over 200 meals delivered a day. In all, about 60,000 meals a year.

**CLUB, Inc.** is requesting \$5,000 to continue the Crisis Intervention Training for first responders which will include Train the Trainer certifications. Local officers will then be able to train other first responders in the Departments.

**Municipal Services** is requesting \$50,000 to make security lighting improvements at the Senior Center. If funding allows additional handicapped accessibility improvements will be made.

**TRPTA** is requesting \$26,000 to match Federal Transit Administration funding for two fully accessible buses. The match ratio is 83% FTA to 17% local funding. They provide the only public wheelchair accessible transportation.

**Family Care Center** is requesting \$73,600 to reroof the rest of Ruth House a homeless shelter for women and children.

**Idaho Falls Community Pathways** is requesting \$50,000 to continue the sidewalk replacement for lower income owners in the COTHNA Historic Neighborhood.

**Salvation Army** is requesting \$45,000 to install a Wheelchair lift to make their programs and services ADA accessible.

**Grant Administration** is \$89,000.
